Article 9 of the Collective Bargaining Agreement between the University of Alaska and the University of Alaska Federation of Teachers (UAFT), Local 2404, AFL-CIO, requires the University to deduct the union service fee from each paycheck upon receipt of a written agreement from the faculty member.

Article 1 of the Collective Bargaining Agreement describes the assignments that confer eligibility on the faculty member, or that exclude the faculty member from eligibility for collective bargaining unit status.

Having previously executed an UAFT Service Fee Deduction form in accordance with Article 9, I have recently accepted an assignment that excludes me from eligibility for collective bargaining unit status for the duration of this assignment.

No UAFT service fee is required for the duration of this assignment.
